1.	Name of test (s)	Agricultural Mechanics and Technology Environmental and Natural Resources Horticulture Plant and Animal Systems
2.	Name and address of test provider	SC Agricultural Education State Office PO Box 23205, Columbia, SC 29224-3205 phone 803-896-8873
3.	Number of test items (each test if multiple tests)	100
4.	Length of test (each test if multiple tests)	Two hours
5.	Technology requirements for testing lab	Internet access; the Center for Agriculture & Environmental Research and Training (CAERT) system used by all agriculture students in SC is the same system used for testing
6.	Web site where test information is available	http://www.scaged.org/Career%20Pathways/15-16%20Assessment%20Testing/15_16%20Assessment.htm
7.	Website where test information is available.	Test Administration Guidelines: End of Pathway Assessments information is available. Contact the State Ag. Ed. Assessment Coordinator for the information needed (see number 10).
8.	Step-by-step directions for registering students for test	The District CATE Coordinator or administrator/designee identifies an Agriculture Testing Coordinator for the agriculture test(s) at a school. Testing Coordinator completes Form 2 on www.SCAgEd.org at the Pathway Assessment Testing link and submits form to Billy Keels at the State Ag Ed office via e-mail at wkeels@clemson.edu.
9.	Web site for test administration directions	Test is accessed at www.mycaert.com. Test Administration Guidelines for end-of-pathway assessments are e-mailed to the Testing Coordinator for agriculture at the school (not the agriculture teacher).
10.	Test provider contact person's name and title, phone number, and e-mail address	State Ag Ed Assessment Coordinators Agricultural Mechanics and Technology (Tim Keown, Associate Agricultural Education Director, Piedmont and Mid-State Regions, trkeown@clemson.edu 864-940-0188) Environmental and Natural Resources (Tim Keown, Associate Agricultural Education Director, Piedmont and Mid-State Regions, trkeown@clemson.edu 864-940-0188) Horticulture (Billy Keels, State Agricultural Education Director, wkeels@clemson.edu 803-600-3140) Plant and Animal Systems (Keith Cox, Associate Agricultural Education Director, Pee Dee and Lower Regions, cox@clemson.edu 843-506-2497)
11.	Phone number for technical assistance during the test	Phone numbers of state Agricultural Education staff, above
12.	Is a sample test provided?	No

13.	Are sample test items provided?	No, but the test items are comparable to test items students regularly complete in the CAERT curriculum delivery system.
14.	What fields of data are required to be entered to register students for a test?	Student User names and Passwords assigned by the Agriculture Education State Administrators.
15.	Who can register students for a test?	State Ag Ed Assessment Coordinators listed in number 9.
16.	Who can administer the test?	The District CATE Coordinator or administrator/designee is responsible for test security and identifies the individual who administers/proctors the test. (The agriculture teacher cannot administer/proctor the test.)
17.	Are teachers allowed to administer/proctor the tests?	Agriculture teachers are **not** allowed to administer/proctor the tests. The District CATE Coordinator or administrator/designee is responsible for test security and identifies the individual who administers/proctors the test. That person cannot be the Agriculture teacher.
18.	What are the rules for proctors?	Maintain test security, assure students do not access other Web sites, assure students do not read other material.
19.	How do test administrators/proctors advise you of accommodations needed by students, as required in students' IEPs, for example?	All accommodations for testing as outlined in students' IEPs should be followed. Contact SC Ag Ed staff with questions.
20.	What accommodations do you routinely provide for individual students?	Routine accommodations are provided unless special requests are made.
21.	What are the dates for test administration during the 2015-16 school year?	Spring: May 4, 2016 (makeup date May 11, 2015)
22.	When are results available?	Students receive immediate feedback.
23.	Who receives test results?	Students, upon completion of the test, and agriculture teachers.
24.	What extra steps, if any, are required to be completed by schools/teachers, before students can be registered for tests? These steps might be specific to SC.	NA
25.	What are the cut scores for the test(s)?	N/A - cut scores have not been set
